

# Experience Industrial Innovation

May 26–27, 2026

TELUS Convention Centre, Calgary, AB

## STEP INTO THE FUTURE OF INDUSTRY

Experience Industrial Innovation 2026 isn't just an event; it's a gathering of the people shaping the next generation of industrial transformation. Over two days, leaders, innovators, and decision-makers from across sectors will come together to explore breakthrough technologies, share insights, and collaborate on solutions to today's industry challenges.

## WHO SHOULD ATTEND?

If you're passionate about shaping industrial automation and innovation, this is an event you don't want to miss. Whether you're an industry leader, decision-maker, engineer, technologist, technical specialist, innovator or entrepreneur, this is an opportunity to connect, learn, and shape the future together.

This is where ideas are tested, connections are made, and innovation accelerates.

## WHAT OUR 2024 ATTENDEES SAID...

"The event was one of the best I have ever attended!"

"The expo with specialists at each respective area was very informative and allowed for additional knowledge and networking."

"Very well planned and executed event. Good variety on knowledge sessions and range of speakers for the Keynote."

  
**KEYNOTE SPEAKER ANNOUNCEMENT COMING EARLY 2026\***

\*Hint: They know a thing or two about launching ideas into orbit – you won't want to miss this!

# Why Attend?

**“I was blown away by the event.”**
